

We are pleased to announce our new bus service to/from the Rockaways

## NOW EXPANDED TO INCLUDE HOWARD BEACH

### Overview

Beginning the first day of school, September 6, 2017, Molloy will be making bus service available to the families residing on the Rockaway Peninsula. We have engaged Vallo Bus Company, a well-respected bus provider in Queens. The service will feature pick-ups at pre-established corners based upon student concentration. The two-way service will provide pick-up times to allow the students to arrive at school with the beginning of the school day, pick-up at school for return home both immediately after the regular school day and late bus service to allow for student participation in extra help and extracurricular activities.

### Cost

The cost is \$2,700 per school year per student. Families with more than one student will receive a 15% discount for all students beyond the first. Bus transportation fees will be added to your tuition invoice and paid on the same frequency: \$270 per month based on 10 payment plan.

### Routes & Stops

The routes will be established based upon the students that sign-up by June 30, 2017. Please note, this service will only be offered if a minimum participation is achieved. Below is a sample of route and stops based on current enrollment.

Rockaway Point Blvd & Clinton Walk
